

Dear valued partner,

As a result of our annual review, all in-force AMI[®] and Health Plus[®] policies will be subject to a rate adjustment.

This year's premium adjustment is primarily due to inflation in health care costs.

Please see the table below for adjustment details including effective dates.

Plan	Rate increase from January 1, 2024
AMI	5%

Plan	Rate increase from February 1, 2024
Health Plus (Accident/Sickness Benefit (with or without drugs), Hospitalization, Drug, Travel, Daily Compensation, Dental Care, Regular and Extended Home Health Care)	6%

Your client's premium may also be affected by various factors, such as a change in age band.

Exclusive services and discounts for your clients

These plans allow your clients to benefit from various exclusive products, services and programs:

- Virtual health care service, to consult a health care professional 24/7, in the comfort of home.
- Assistance Program, to obtain various home health and support services as well as access to legal information services.
- Blue Advantage[®], to save on many health products and services.

Thank you for your partnership. If you have any questions, please contact us:
